- Instant channel 9 and 19
Immediate access to emergency channel 9 and info

Part# 29NW

Super HD Dash Cam with iRadar®

drive HD®
iRadar® Cobra

Features:

- Super HD Video
1296P Super HD Video for crystal clear recording in both daylight and nighttime conditions. Whether for a traffic incident, spectacular road trip, or mundane commute, Drive HD captures all of the details.
 - iRadar Route Tracking
Embeds location, speed, and G-Sensor information at every point of your route when connected to the iRadar App
 - iRadar Camera + Live Police Alerts
Provides real-time threat information from the millions of iRadar® users on the road. Alerts to Red Light Cameras, Speed Cameras, and Live Police Locations.
 - Automatic Operation
Loop Recording continuously records the road ahead as you drive. G-Sensor detects impacts and automatically protects surrounding footage. Parking Mode records when motion is detected.
 - Extreme Temp Protection
Built with supercapacitor technology to withstand the extreme temperatures in your vehicle. This dash cam is battle-tested for reliable performance in the most frigid cold snaps or punishing heat waves.
 - Advanced Driver Alert System
Distracted driving is more prevalent than ever. Lane Departure and Forward Collision Warnings let you know if you are drifting out of your lane or quickly approaching an object in front of you.
 - Easy to Use
Simple and intuitive operation. Automatic recording and shutdown lets you set it, and forget it.
 - Ready-to-Go
Includes 8GB Micro SD Card, Low Profile Adhesive Mount, and Vehicle Power Adapter. Simply Mount, Power, and Drive!
- In the Box:**
- Package Contains: Dash Cam, 8GB MicroSD Card, Adhesive Mount, Vehicle Power Adapter, Micro USB Power Cable, Micro USB Data Cable
